More information about the licensee and/or products and/or units can be obtained at the website of CU (www.controlunion/certification.com) or in www.asc-agua.org.

This certificate recommends the eligibility of the certificate holder to use the ASC label after obtaining and comply with a logo licence agreement with ASC and may claim that its aquaculture products are the result of "Responsible Aquaculture Farming".

The certificate holder has the right to claim that, subject to the scope of its certificate, its operation is certified in accordance with the specific ASC standard covered.

The certificate holder shall not make any claim about ASC certification on consumer facing products without a valid ASC logo licence.

The products included in the scope of this certificate can be traded as ASC certified products after the information of this certificate is updated in the ASC website.

This certificate including the annex remains property of Control Union Peru and can be withdrawn in case of terminations as mentioned in the licensee contract, or in case changes or deviations of the above mentioned data occur. The licensee is obliged to inform Control Union Peru immediately of any changes in the above mentioned data. Only an original and signed certificate with its annexes is valid. This certificate and all its copies or reproductions shall be returned to Control Union Peru or destroyed immediately on request.

This certificate itself does not constitute evidence that a particular product supplied by the certificate holder is ASCcertified. Products offered, shipped or sold by the certificate holder can only be considered covered by the scope of this certificate when the required ASC claim is clearly stated on invoices and shipping documents
